

SCOTTISH TAXI FEDERATION

AIMS AND OBJECTIVES OF THE FEDERATION

In keeping with the highest standards of service to the general public and with the purpose that each of its members may earn a deserved success through his or her efforts within this industry, the objectives of this Federation shall be:

- To carry out activities in the common interest of its members.
- To cultivate acquaintance, fellowship, co-operation, goodwill and a professional spirit amongst its members, facilitate and exchange ideas and methods, recognise and honour their exceptional services and achievements and as it may affect their interests, further the efficiency of service to the general public.
- To promote the study of the service, aid the maintenance of fair competition and advise in the enactment of just, equitable and constructive legislation.
- To foster the continuity of the Federation, assist its members in all and every way possible and encourage the development of younger members.
- To gather, organise, keep on file, diffuse useful information and facilitate research in all functions of the licensed taxi business and acquire and maintain all pertinent material thereto.
- To conduct Annual General, Special General and General Committee meetings for its members.
- Though the proper operation of this Federation and integration of the creative forces at its command, to act or co-act with others especially local authorities, national Government and other taxi federations in the improvement of the economic, social and civic values of the licensed taxi trade.
- To protect the investment of its members and secure the living standards and welfare of all who are engaged in the industry.
